2022 UNITED WAY OF TREASURE VALLEY COMMUNITY IMPACT OVERVIEW

Letter from Tim

Dear Friends,

We greatly appreciate all of our dedicated partners, donors, advocates, and volunteers. As we align our efforts and mobilize resources, we create better solutions to persistent problems and make measurable progress.

We are mobilizing our community's caring power to advance every person's education, health, and financial stability. We are positioned to do so even when there are dividing lines and environments telling us that collective action is not possible.

United Way of Treasure Valley's mission-focused efforts are aligned with the ever-changing needs of our diverse community stakeholders; beneficiaries, partners, investors, and our workforce.

In this brief report, you'll find highlights of your investment this past year. To learn more about the work **you help make possible**, please visit us at www.unitedwaytv.org.

Join us to ensure that the Treasure Valley is a great place to live, work, and play for all members of our community!

Yours United,
Tim Jackson, President & CEO
