TAKE BOLD ACTION AGAINST POVERTY

Support United Way of Treasure Valley

OUR WORK

United Way of Treasure Valley stands against poverty. We fight for the health, education and financial stability of everyone in the Treasure Valley.

HOUSING STABILITY

We fight for all Treasure Valley residents to have an affordable, safe and permanent place to live – from Housing First programs and emergency shelters, to advocating for affordable housing.

BASIC NEEDS

We fight for basic needs. We support homeless students and low-income children by providing hygiene items, school supplies, and stocking basic needs pantries.

FINANCIAL STABILITY

We fight for people in the Treasure Valley to find meaningful jobs, manage expenses, and support their families – from job skills training, continuing education opportunities, and financial literacy programs.

HEALTH

We fight so all people living in the Treasure Valley can face life's health challenges– from counseling for people dealing with addiction or mental health issues, to providing free and reduced cost medical and dental services.

YOUTH SUCCESS

We fight so children and youth get a great start in life, do well in school, and reach their full potential – from our preschool scholarships, mentoring, and before and after school programming, to our work in Community Schools.
